

EXHIBIT B

The screenshot shows a user interface for designing clothing products. At the top, there are three categories: "Standard Print Clothing" (disabled), "Large Print Clothing" (enabled), and "Sleeveless Tops". Below these are three preview images of t-shirts with different designs.

Large Print Clothing

Click and drag to position your image.

A white t-shirt is displayed with a placeholder for a design. A dashed rectangular box indicates where the uploaded image will be positioned. The image itself is a sunset scene with silhouettes of trees.
